Re: McCord Host House Alternations
North East Branch Library

Dear Jeff:

Attached is a revised quote to stabilize the McCord Host House (Carriage House not included) this price should cover the work we discussed. Please note, the two items below that are **not** covered in this price.

1. When installing a new flat roof and installing tapered insulation to meet new codes, the second floor widows adjoining this area my have to be raised up.
2. Any structural repair of the flat roof.

If we can be of further assistance, please give us a call.

Sincerely yours,
